

03 August 2021

Dear Member

Discovery vaccination sites are now open in KZN

We have extended our vaccination sites to KwaZulu-Natal (KZN) to support the national mass vaccination programme.

Our vaccination sites are located at:

- **Virgin Active Pavilion**
- **Park Square in Umhlanga.**

The KZN vaccination sites are open seven days a week.

All you need to do to get your COVID-19 vaccine is to follow these two steps:

1. **Register** on the government's [Electronic Vaccination Data System \(EVDS\)](#)
2. **Register and book an appointment** at a Discovery vaccination site online through our [COVID-19 Vaccination Navigator](#)

[BOOK NOW](#)

All COVID-19 preventive measures are in place at Discovery-managed sites. For added protection, we request that you please double mask and adhere strictly to social distancing protocols. Please do not come for the vaccination if you have tested positive for COVID-19 within the last 30 days or have been exposed to COVID-19 symptoms and have not completed your 10 days of quarantine.

Stay Informed

Visit our [COVID-19 hub](#) for everything you need to know for your vaccination journey.

With [WhatsApp](#), you'll get quick and easy-to-understand information about how to register for your vaccine, the vaccination sites around the country, and answers to any questions you may have about getting vaccinated.

Save this number **0860 999 928** to your phone and say "Hi" to start chatting with us.

Together we can get our nation vaccinated!

Regards

Discovery Health on behalf of Anglo Medical Scheme
