

10 June 2021

Dear Member

It's time to get ready for your COVID-19 vaccination

If you haven't done so already, register on Discovery's COVID-19 Vaccination Navigator and we'll automatically register you on the national Electronic Vaccination Data System (EVDS).

Once you're registered, our COVID-19 Vaccination Navigator will guide you with everything you need to know for your vaccination day, including all logistical arrangements. Visit our **COVID-19 Vaccination Navigator** [here](#) to get prepared for your vaccination.

PREPARE FOR YOUR VACCINATION

We will regularly update our list of **Discovery-managed vaccination sites**, as more sites become available, so keep checking our [COVID-19 Vaccination Navigator](#) for sites most convenient for you.

Stay Informed

Visit our [COVID-19 vaccine hub](#) to get instant answers to your questions, anywhere, anytime.

Regards

Discovery Health on behalf of Anglo Medical Scheme
