

29 June 2021

Dear Member

Your booking for your COVID-19 vaccination

We look forward to welcoming you for your COVID-19 vaccination at our Discovery-managed vaccination site.

In preparation for your vaccination day:

- View your booking on our COVID-19 Vaccination Navigator [here](#).
- We will send you reminders closer to the time of your appointment

If you receive an SMS from the Electronic Vaccination Data System (EVDS) giving you an alternative date, time and/or site of your vaccination we recommend that you continue with the booking you made with us.

If you can no longer make your appointment with us or prefer the EVDS booking, please cancel your booking through our COVID-19 Vaccination Navigator [here](#).

What to bring on your vaccination day

Please bring your confirmation of appointment, medical aid membership card and your original vaccination card if you are coming for your second dose of the vaccine.

All COVID-19 preventive measures are in place and enforced at Discovery-managed sites

For your added protection, we request that you please double mask and adhere strictly to social distancing protocols. Please do not come for your vaccination if you have tested positive for COVID-19 or have been exposed to or experienced any COVID-19 symptoms within the last 14 days.

We're here to support you

Learn more about the COVID-19 vaccines on our [COVID-19 vaccine hub](#).

Regards

Discovery Health on behalf Anglo Medical Scheme
