

A warm welcome to our new Principal Officer, Julia le Roux

Dear Members

Last month we informed you about the retirement of our Principal Officer Fiona Robertson.

Today I have the great pleasure, on behalf of the Board of Trustees, to introduce you to our new Principal Officer, Julia le Roux. Julia will take up her role on 1 November 2023 and comes with a wealth of knowledge and experience that we believe will be invaluable for Anglo Medical Scheme's continuous success.

Julia is a distinguished professional with an extensive academic background. She holds a Bachelor of Arts and LLB from the University of Cape Town, a Post Graduate Diploma in Financial Planning from the University of the Free State and a certificate in Trustee Training from Wits University. This combination of legal expertise and financial acumen will undoubtedly serve us well in these complex and ever-evolving times for our healthcare industry in South Africa.

Julia's journey in the insurance and healthcare sector began as a legal advisor, where she applied her skills and developed a deep understanding of the intricacies of our industry. Her dedication and passion for healthcare led her to the role of Principal Officer at Nedgroup Medical Aid Scheme,

a position she held for 12 years. Her most recent position was as the Principal Officer of the Old Mutual Staff Medical Aid Fund. With a remarkable 22 years of experience in the healthcare industry, Julia brings a level of expertise that is truly commendable.

Beyond her professional achievements, Julia is also passionate about health and fitness in her personal capacity. Her commitment to wellness is reflected in her participation in a range of demanding endurance events, including Ironman, Two Oceans, Double Century road-bike races, and the challenging Trans Baviaans mountain bike event.

Julia's appointment as our new Principal Officer is our statement of commitment and confidence to continue to deliver great value to our members and employers. Julia's blend of legal, financial and healthcare expertise, coupled with her personal passion for wellness, makes her an ideal fit for our medical scheme. Please join me in welcoming Julia le Roux to the Anglo Medical Scheme family!

Sincerely,

Joe Coetzer
Chairman

Save the date for our year-end presentations!

As you may recall from previous years, we conduct year-end presentations in the month of November to keep our members informed about benefit and contribution changes for the following year. Employees are invited to attend information sessions at their workplace, whereas we offer dedicated presentations at various venues in South Africa for our pensioners.

Virtual and in-person meetings for our pensioners

In 2022, we were, in addition to providing virtual presentations, delighted to resume our in-person year-end presentations. We are pleased to announce the dates and venues for this year's year-end meetings, which are once again open to our pensioner members.

While we offer two virtual meetings for those who can't make the other dates in their area or find it inconvenient to travel, we would love to meet you in person.

Please find on the following page the dates and venues that we anticipate will be attended by a sufficient number of members. If you don't see your region or city listed, please contact your Client Liaison Officer (CLO). If we receive enough requests, we are always open to adding more venues and dates. On the other hand, if we don't receive enough RSVPs for the listed dates and venues, we may have to consider cancelling those sessions. Your RSVP is crucial so that we can keep you informed of any changes to the meeting details.

Meet the Principal Officer

The month of November marks the beginning of Julia's tenure as our new Principal Officer. As Fiona passes the baton to Julia, this is the perfect opportunity for both of them to connect with our members. It's a time for Fiona to bid farewell and for Julia to introduce herself, forging a connection with the AMS membership. Fiona and Julia will aim to attend one session per region, possibly the one with the highest number of members attending.

Let us know today which session you plan to attend!

Participate in our lucky draw

Some traditions are worth keeping. As we do every year, we will have a lucky draw for grocery vouchers at the end of the presentation.

We wish you the best of luck, but remember, you can only win if you join us. Please RSVP today!

Gauteng

As promised, due to the interest in the Randburg session last year, we are offering more sessions in Gauteng again.
