2 Pro-ration of Benefits

A member or registered dependant who is admitted to the Scheme during the course of a financial year shall have his/her benefits pro-rated.

The benefits to which he/she is entitled will therefore be adjusted in proportion to the period of his/her membership, which will be calculated from the admission date to the end of that financial year.

3 Management Programmes

The following management programmes have been adopted by the Scheme -

3.1 The Hospital Benefit Management Programme – a programme which involves the approval of all hospital events, and on-going monitoring, by or on behalf of the Scheme, of hospital treatment of all medical conditions;

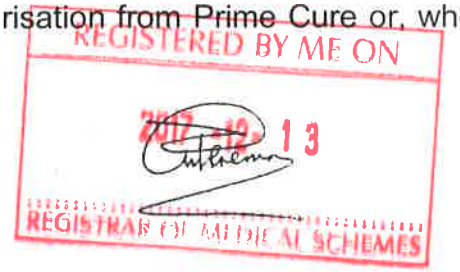
3.2 The Disease/Condition Management Programme – a programme which incorporates evidenced clinical protocols for containing costs and/or on-going review and monitoring of patients with a defined medical condition.

Specific Disease/Condition Management Programmes, which have been adopted by the Scheme are the Prime Cure HIV/AIDS Management Programme and the Prime Cure Oncology Management Programme;

3.3 If the Scheme has adopted a management programme for a particular condition, the benefit in respect of such condition is subject to pre-authorisation and registration with the relevant management programme.

4 Pre-Authorisation

Where a benefit is subject to pre-authorisation, a beneficiary must obtain authorisation from Prime Cure or, where a designated service provider



attending to the beneficiary acts on behalf of the beneficiary, or refers a beneficiary to another provider, the designated service provider must obtain pre-authorisation from Prime Cure, prior to obtaining the relevant health service to which the benefit relates.

A beneficiary who fails to obtain such prior authorisation will, except in the case of an emergency medical condition, be liable for the full cost of the relevant health service.
Rule amended 2018-01-01

5 Benefits

The benefits to which a member is entitled in respect of himself/herself, and each of his/her registered dependants, are set out below.

5.1 PRESCRIBED MINIMUM BENEFITS

A beneficiary is entitled to 100% of the cost of the diagnosis, treatment and care of the PMB conditions contemplated by the Act, provided that any services in relation to PMB conditions are pre-authorised and obtained from a -

5.1.1 public hospital; or

5.1.2 a Prime Cure DSP.

A co-payment will be imposed if a beneficiary voluntarily obtains such services from a provider other than a public hospital or a DSP.

This co-payment will be the difference between the actual cost incurred and the cost that would have been incurred had the service been obtained from a public hospital or a DSP, or is the specified value detailed in the Rule relating to the relevant benefit. No co-payment will be imposed on a member if the service was involuntarily obtained from a provider other than a public hospital or a DSP.

A co-payment as contemplated above will also be imposed in those instances where a beneficiary voluntarily declines a medicine formulary drug and chooses to use another drug instead.
