

## INFORMATION MANUAL

Prepared in terms of section 51 of the Promotion of Access to Information Act (PAIA)

### INTRODUCTION

- a. This manual is for **Anglo Medical Scheme**.
- b. The Promotion of Access to Information Act, No 2 of 2000 (The Act) is an Act that was passed to give effect to the constitutional right held by South African citizens, of access to any information held by the State or by another person, which is required for the exercise or protection of any right. Where a request is made in terms of the Act, the body to which the request is made is obliged to give access to the requested information, except where the Act expressly provides that the information may or must not be released. Therefore, the right of access to information and this Manual is only applicable to South African citizens, as defined in the Constitution of the Republic of South Africa, Act 108 of 1996.
- c. It is important to note that the Act recognises certain limitations to the right of access to information, including but not limited to, limitations aimed at the reasonable protection of privacy, commercial confidentiality, and effective, efficient and good governance, and in a manner which balances that right with any other rights including such rights contained in the Bill of Rights in the Constitution.
- d. This manual is available for inspection, free of charge, at the physical address of **Anglo Medical Scheme**, recorded in paragraph 1.2 below and on this website.

- a. Records held by **Anglo Medical Scheme** may be accessed by requests only once the prerequisite requirements for access have been met.
- b. A requester is any person making a request for access to record of or held by **Anglo Medical Scheme**.

There are two types of requesters:

### PERSONAL REQUESTER

- A personal requester is a requester who is seeking access to a record containing personal information about the requester.
- **Anglo Medical Scheme** will voluntarily provide the requested information, or give access to any record with regard to the requester's personal information. The prescribed fee for reproduction of the information requested will be charged.

### OTHER REQUESTER

This requester (other than a personal requester) is entitled to request access to information on third parties. However, **Anglo Medical Scheme** is not obliged to voluntarily grant access. The requester must fulfill the prerequisite requirements for access in terms of the Act, including the payment of a request and access fee.

## 1.7 REQUEST PROCEDURE

- a. A requester requiring access to information held by **Anglo Medical Scheme** must complete the prescribed form, enclosed herewith as **ANNEXURE 1**, submit it to the Information Officer at the postal or physical address, fax number or electronic mail address recorded in 1.2 and pay a request fee and a deposit, if applicable.
- b. The prescribed form must be completed with enough particulars to at least enable the Information Officer to identify:
1. The record or records requested.
  2. The identity number of the requester.
  3. The form of access required, if the request is granted.
  4. The postal address or fax number of the requester.
- c. The requester must also state that he or she requires the information in order to exercise or protect a right, and clearly state the nature of the right to be exercised or protected. In addition, the requester must clearly specify why the record is necessary to exercise or protect such a right.
- d. **Anglo Medical Scheme** will process the request within 30 days, unless the requester has stated special reasons which would satisfy the Information Officer that circumstances exist which necessitates the above time periods being shortened.
- e. The requester will be informed in writing whether access has been granted or denied. If, in addition, the requester requires the reasons for the decision in any other manner then these particulars are also required.
- f. If a request is made on behalf of another person, then the requester must submit proof of the capacity in which the requester is making the request to the reasonable satisfaction of the Information Officer.
- g. If an individual is unable to complete the prescribed form because of illiteracy or disability, such a person may make the request orally.

## 1.8 DECISION

- a. **Anglo Medical Scheme** will, within 30 days of receipt of the request, decide whether to grant or decline the request and give notice with reasons (if required) to that effect.
- b. The 30 day period within which **Anglo Medical Scheme** can decide whether to grant or refuse the request, may be extended for a further period of not more than 30 days if the request is for a large volume of information, or the request requires a search for information held at another office of **Anglo Medical Scheme** and the information cannot reasonably be obtained within the original 30 day period. The Information Officer will notify the requester in writing should an extension be sought.

## 1.9 REMEDIES AVAILABLE WHEN ANGLO MEDICAL SCHEME REFUSES A REQUEST FOR INFORMATION

### a. INTERNAL REMEDIES

**Anglo Medical Scheme** does not have internal appeal procedures. Therefore, the decision made by the Information Officer is final. Requesters who are dissatisfied with a decision to the Information Officer will have to exercise external remedies at their disposal.

### b. EXTERNAL REMEDIES

A requester or a third party, who is dissatisfied with an Information Officer's refusal to disclose information or the disclosed information, may within 30 days of notification of the decision apply to the Constitutional Court, the High Court or another court of similar status for relief.

## 1.10 FEES

- a. The Act provides for two types of fees, namely:
1. A request fee, which will be a standard fee
  2. An access fee, which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs.
- b. When the request is received by the Information Officer, the officer will by notice require the requester, other than a personal requester, to pay the prescribed request fee (if any), before further processing of the request.
- c. If the search for the record has been made and the preparation of the record for disclosure, including arrangement to make it available in the requested form, requires more than the hours prescribed in the regulations for this purpose, the Information Officer will notify the requester to pay as a deposit the prescribed portion of the access fee which would be payable if the request is granted.
- d. The Information Officer will withhold a record until the requester has paid the fees as indicated in the table below.
- e. A requester whose request for access to a record has been granted, must pay an access fee for reproduction and for search and preparation, and for any time reasonably required in excess of the prescribed hours to search and prepare the record for disclosure including making arrangements to make it available in the requested form.
